Fast facts Location: Town of Pacific, Columbia Co., Wis. , Size: 18 MW/180 MWh , Homes powered: about 18,000 Community benefit ers committed to a more sustainable energy future. This project will

Alaska Glaciers Show Dramatic Melting

Columbia Glacier in Prince William Sound and Bering Glacier in the St. Elias Mountains are two glaciers losing ice at an alarming rate: during the past decade, Columbia has shrunk by an

[Columbia Glacier Retreating , Geophysical Institute](#)

Columbia Glacier, located about 40 kilometers

The Columbia Glacier , Geophysical Institute

The Columbia Glacier is one of Alaska's better known tidewater glaciers, both from the standpoint of tourist attraction and the model it provides for scientific investigation. In 1973 it became the object of

(25 miles) west of Valdez near the epicenter of the great 1964 earthquake, is rapidly losing its battle for survival. It is the last of Alaska's

[Alaska's Size in Perspective , Geophysical Institute](#)

Alaska is more than twice the size of the largest of the lower 48 states, and the amount of Alaska underlain by permafrost is equal to the size of three Californias. Ten states are smaller than

The majesty and mystery of Alaska yellow cedar , Geophysical Institute

These trees, which can live longer than 1,000 years, grow on the rainy coast from the Oregon/California border through British Columbia and as far north as Prince William Sound. The

The Alaska-Canada Boundary , Geophysical Institute

The Alaska-Canada boundary was originally established in February 1825 by Russia (then owner of Alaska) and Great Britain (then owner of Canada).

[Alaska's big river never stops flowing .
Geophysical Institute](#)

It's midsummer, a good time to slip a canoe onto the Yukon River. I start at the river town of Eagle, population 85, and will finish in Circle, population 104. Circle is about 170 twisting miles

Ranking Rivers , Geophysical Institute

For comparison, that's right ahead of the Columbia in area drained and right after it in discharge. (The Columbia River also needs Canada to gain its rank; its source is in British
