2. with colours and patterns that match or look good together

What does Coordinated mean?

Coordinated refers to the process where different elements are organized or arranged in a harmonious, efficient, or structured manner to work collectively towards a common goal.

[Coordinate Definition & Meaning , Britannica Dictionary](#)

a coordinated effort/attack I would take dance lessons, but I am not very coordinated. A more coordinated approach will improve productivity.

[COORDINATED definition and meaning . Collins English Dictionary](#)

Thymocyte differentiation involves a cascade of coordinated stromal genes controlling thymocyte survival, lineage commitment and selection.

[Coordinated Control of Distributed Energy Storage Systems for DC](#)

To adapt to frequent charge and discharge and improve the accuracy in the DC microgrid with independent photovoltaics and distributed energy storage systems, an energy-coordinated

[Coordinated Control Strategy of a Battery Energy Storage](#)

In this paper, a state-machine-based coordinated control strategy is developed to utilize a BESS to support the obliged FAS of a WPP (including both primary and secondary frequency control).

[Scalable Coordinated Control of Energy Storage Systems for](#)

In this paper, a scalable wide area control scheme using distributed model predictive control is proposed to enhance the angle stability of power systems following large disturbances.

[Coordinated Power Control Strategy of Hybrid Energy Storage System](#)

This paper focuses on the design, modeling, and analysis of the coordinated power control strategy for a grid-connected hybrid energy storage system based on VSG (VSG-HES).

[COORDINATED , definition in the Cambridge English Dictionary](#)

If a person is coordinated, they move in a very easy and controlled way, especially when playing sports or dancing:

[An improved multi-timescale coordinated control strategy for an](#)

In view of the complex energy coupling and fluctuation of renewable energy sources in the integrated energy system, this paper proposes an improved multi-timescale coordinated control

COORDINATED Definition & Meaning

The meaning of COORDINATED is able to use more than one set of muscle movements to a single end. How to use coordinated in a sentence.

coordinated

manage the elements of: She coordinated the relief efforts in the Sudan. to make the parts of (the body) work together correctly or smoothly: The children suffering from that brain disease could not
