

Enterprise energy storage participates in real-time electricity trading

Home Energy Storage (Stackble system)

High Efficiency

Easy installation

Safe and Reliable

Perfect Compatibility

Product Introduction

- Scalable from 10 kWh to 50 kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem

- LFP battery, safest and long cycle life
- Stackable design, effortless installation
- Capable of High-Powered Emergency-Backup and Off-Grid Function

Overview

Battery storage and fast response demand-response programs are best suited for real-time market participation as they can respond in seconds to market signals, providing quick and flexible capacity when traditional power plants can't.
