What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.

**For free vs. free of charges**

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that English

**"Free of" vs. "Free from"**

If so, my analysis amounts to a rule in search of actual usage-a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over the past 100 years

**word usage**

I want to make a official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" doesn't sound formal. So, are there any alternatives

**single word requests**

Similarly, "free education" is funded by the state (which is ultimately financed by taxpayers) and taught in state-run schools called state schools whereas schools that charge tuition
