

Greece collapsible container 40kWh

Greece collapsible container 40kWh

Greek photovoltaic folding container 40kWh

Our certified solar specialists provide round-the-clock monitoring and support for all installed photovoltaic container systems and battery energy storage containers.

Mobile solar container range

We are actively driving the evolution towards emission and noise compliant power solutions at worksites. The mobile solar container range redefines on-site power

Greece Solar Container 40kWh

The H10GP-M-30K40 delivers 30kW of solar generation and 40kWh of storage, housed in a 10ft mobile foldable container. Using high-efficiency 480W panels, it's engineered

BSI-Container-40FT-500KW-2150kWh

The system is fully pre-assembled in a 40-foot container for ease of transportation. It requires minimal on-site setup, and all components, including inverters, batteries, and controls, are pre-integrated.
