

# Outdoor power supply with large wattage

Support photovoltaic input and AC mains input  
Suitable for home energy storage and emergency backup power supply

The image features a large, white, rectangular outdoor power supply unit with a black control panel at the top. It is positioned in front of a modern, multi-story house with a dark facade and large windows. The background shows a residential street with other houses and parked cars. Below the main image, there is a smaller inset image showing various household appliances: a range hood, a range, a refrigerator, a water dispenser, and a laptop, illustrating the types of loads the power supply can support.
