

Production of 3 kW three-phase inverter

Overview

This project focuses on the design and construction of a 3KVA power inverter, a crucial device for converting direct current (DC) to alternating current (AC) to power household and industrial equipment.

Production of 3 kW three-phase inverter

3-Phase Inverter

The Hybrid Multilevel Inverter is a three-phase inverter specially designed for industrial applications with medium voltage and high power demands. It uniquely combines elements of both
